VAIL VALLEY FOUNDATION – OVERVIEW

Since our inception in 1981, the Vail Valley Foundation’s mission has been to “provide leadership in athletic, cultural and educational endeavors to sustain and enhance the quality of life in the Vail Valley. We have the privilege of annually providing the Vail Valley with a vast array of world-class events and programs, literally and figuratively bringing the world to the Valley and introducing the Valley to the world.

Fueled by the generous support of donors, coupled with the support of the community and its volunteers, the Foundation is responsible for such treasured annual events as the Birds of Prey World Cup, Vail Dance Festival, the GoPro Mountain Games, free community concert series such as Hot Summer Nights and two spectacular performing arts venues in the Gerald R. Ford Amphitheater in Vail and the Vilar Performing Arts Center in Beaver Creek. In addition, the Foundation periodically brings major international events to Vail and Beaver Creek such as the 2015 FIS Alpine World Ski Championships.

The VVF education efforts are focused on one goal—to give every child in Eagle County, access to education-based programs that ignite passions and expand horizons. To achieve this goal, the foundation identifies educational gaps from cradle to college and then develops and funds programs that provide youth with the skills, confidence and support to become outstanding leaders in the community and the world. Tens of thousands of students have benefited from our education and enrichment work over more than three decades. With programs that include the Magic Bus, Power Hours, COPA Soccer, GirlPowHer, The CLUB, Dollars for Scholars, and AmeriCorps Peak Pathfinders, YouthPower365 helps our community’s youth reach their potential.
